A Message from TCC President **Leigh Goodson**

This Blue Book provides an overview of Tulsa Community College, including key initiatives, our college profile, and highlights from our public grants portfolio.

TCC is the largest two-year college in Oklahoma, serving approximately 20,200 students annually on four campuses and two community sites through credit, transfer, workforce development, concurrent enrollment and continuing education. Our work has led to a 22 percent increase in the number of degrees and certificates conferred upon students in the past five years even with a slight decline in enrollment during the same time frame. In addition, our three-year graduation and transfer rates (first-time, full-time degree-seeking) have continued to trend upward. We are proud of this intentional work which is producing more work-ready college graduates for the region and is an economic benefit for the entire state.

Although TCC has a dedicated local funding stream through property taxes, increased grant support provides essential supplemental funding to increase

and enhance programs focused on student achievement. In this book you will find information on current TCC grants that support our mission of building success through education. In addition to CARES Act and Higher Education Emergency Relief Funding providing much needed assistance to students during the COVID-19 pandemic, other recent grant awards include Strengthening Institutions Program funding for faster developmental completion and overall retention, and Substance Abuse and Mental Health Services Administration funding used to raise awareness of mental health struggles in our community.

Thank you in advance for your consideration and support of our institution and our entire state.

Sincerely,

A handwritten signature in black ink that reads "Leigh Goodson". The signature is written in a cursive, flowing style.

OUR MISSION

Building success through education

OUR VISION

An educated, employed, and thriving community

OUR BELIEFS & VALUES

YOU BELONG HERE

We foster a culture of diversity, equity, and inclusion that welcomes and respects everyone for who they are and who they will become.

EVERYONE CAN LEARN

We meet people where they are by creating a safe and supportive learning and working environment leading to success.

COMMUNITY IS OUR MIDDLE NAME

We build community, inside and out, through collaboration, service, sustainability, and social and financial responsibility.

QUALITY EDUCATION IS AFFORDABLE

We create a rigorous and engaging learning experience that provides exceptional value.

EXCELLENCE IS OUR CULTURE

We live out excellence at every level by embracing change, always improving, and persisting to reach our full potential.

Institutional Learning Outcomes: Communication Skills, Personal Responsibility, Critical Thinking, Social Responsibility

AN INVESTMENT IN IN OUR COMMUNITY

\$1.00=\$3.60

For every \$1 students invest in their education, they will receive \$3.60 in higher future earnings than their non-degree-holding counterparts.

\$183M

Higher education is statistically correlated with lifestyle changes that generate savings and social benefits in three areas: health, crime, and unemployment. So, total benefits to taxpayers equal \$183 million – a sum of added taxes and public sector savings.

\$1.00=\$5.00

For every \$1 of public invested in TCC, state taxpayers receive \$5 back over the course of student's careers.

\$920M

Total impact is \$920 million
(\$86M + \$71M + \$787M = \$920M)

- 2,363 Faculty & Staff = \$86M payroll
- TCC spent \$71M on goods and services.
- TCC Alumni and students created an additional \$787M in added income.
