# How to Install Outlook on Android
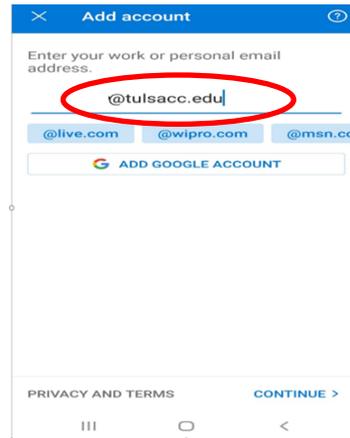

1. Download and install "Outlook" from "Play Store"

2. Click "**Open**"

3. Click "**GET STARTED**"

4. Enter your **@tulsacc.edu** email address and then tap **Continue**.

5. Enter your **CWID and password**.

6. A few screens of help text are presented, you can read or skip. Your Office 365 Inbox then displays. Setup is complete.
