Tulsa Community College Student Government Association Member Application

I.   Requirements

1. Prospective SGA members need to meet one of the following requirements:

    a. All students in good standing, as defined by TCC, are eligible to become members of the SGA.

    b. All SGA members must be enrolled in at least one credit hour in the semester for which they serve.

    c. In the case that a student is a concurrent student or an incoming freshman who does not have a college GPA, they will be granted a grace period of one semester until they are able to obtain an eligible college GPA.

    d. A student may become a member at large of the SGA, by completing the TCC SGA Member Application and receiving each current officer's signature.

    e. A student must reapply to TCC SGA every new calendar year.

    f. Representatives of student organizations must provide documentation that they are in fact the representative, as well as, complete an application.

    g. Representatives of student organizations have full SGA voting rights privileges.
